

Elite 20W-50

Premium High Performance Multigrade Petrol Engine Oil

Product Description

Veedol Elite 20W-50 oil is formulated from premium quality virgin base oils to bring out the best engine performance of new and older passenger vehicles. It provides excellent sludge and deposit control. A robust anti-friction additive helps protect the engine parts on cold starts and resists oil degradation throughout the recommended oil drain interval.

Performance Specification

Veedol Elite 20W-50 meets or exceeds performance requirements:

- API: SL

Features & Benefits

- Premium high-quality engine oil with very high thermal and oxidation stability
- Fortified with modern generation anti-wear additives ensure complete protection at variety of operating conditions
- Unique detergent-dispersant additives system keeps all contaminants in micro suspension to achieve high engine cleanliness and optimum fuel efficiency
- Recommended for modern generation cars having turbocharged/naturally aspirated fuel-injection petrol engines requiring API SL.
- Blended using Virgin Base Oils & proprietary performance boosting additives

Typical Properties

Test Parameters	ASTM Method	Typical Values
Density @15°C	D4052	0.890
Kinematic Viscosity @100°C, cSt	D445	19
Viscosity Index	D2270	128
Total Base Number, mg KOH/gm	D2896	7.0
Pour Point, °C	D97	-27
Flash Point (COC), °C	D92	236

*Properties mentioned above are typical only, and minor variation which do not affect the product performance, are to be expected in normal manufacturing.
