

Grease

TECHNICAL DATA SHEET (TDS)

EXTREME PRESSURE 3

Premium Extreme Pressure Lithium Grease

Product Description

Veedol Extreme Pressure-3 is a premium extreme pressure lithium grease having NLGI-3 consistency. It is recommended for heavy duty bearing lubrication in construction, mining, steel, cement, rubber, sugar and paper industries. Recommended as heavy duty wheel bearing grease for trucks, buses, etc.

Features & Benefits

- Heavy Load carrying capacity.
- Outstanding oxidation and thermal stability.
- Imparts excellent rust inhibition.
- Helps minimize wear and tear thereby extending bearing life.

Typical Properties

Test Parameters	ASTM Method	Typical Values
NLGI Consistency		3
Thickener Base		Lithium
Penetration @ 25°C, worked 60st	D217	235
Drop Point	D2265	198

*Properties mentioned above are typical only, and minor variation which do not affect the product performance, are to be expected in normal manufacturing.
